PROBLEM-SOLUTION FIT CANVAS

LegalEase – AI-Powered Legal Document Generator

1. CUSTOMER SEGMENT (CS)	***6. CUSTOMER LIMITATIONS (CL)***
Entrepreneurs, startup founders, freelancers, landlords, employees, small businesses and individuals who need basic legal documents.	Limited legal knowledge; limited budget and time; difficulty understanding legal terminology; need for an easy-to-use digital tool.
2. PROBLEMS / PAINS + ITS FREQUENCY (PR)	***5. AVAILABLE SOLUTIONS – PROS & CONS (AS)***
Difficulty creating legal documents; complicated legal language; dependence on legal professionals; time-consuming manual drafting; formatting difficulties. These problems occur whenever contracts, NDAs, lease agreements or employment documents are needed.	**Available:** Lawyers, manually written templates and online legal-document services. **Pros:** Professional assistance and established templates. **Cons:** Can be time-consuming, costly, less customizable, or difficult for users without legal knowledge.
9. PROBLEM ROOT / CAUSE (RC)	***7. BEHAVIOR + ITS INTENSITY (BE)***
Legal documents require specialized knowledge and formal structure. Users may not understand legal terminology, clauses, formatting requirements or how to customize documents correctly.	Users search for templates, consult professionals, manually edit documents and repeatedly modify clauses. This behavior becomes more frequent when documents are needed urgently.
3. TRIGGERS TO ACT (TR)	***10. YOUR SOLUTION (SL)***
Hiring a new employee; starting a freelance project; signing a business agreement; renting a property; or needing an NDA.	**LegalEase:** Users enter document type, parties, terms and effective date. Gemini generates a structured legal document that can be previewed, edited, branded and downloaded as TXT, DOCX or PDF.
4. EMOTIONS BEFORE / AFTER (EM)	***8. CHANNELS OF BEHAVIOR (CH)***
Before: Confusion, stress, uncertainty and difficulty understanding legal terms. **After:** Better understanding, convenience, confidence and easier document preparation.	**ONLINE:** Web application, Streamlit interface and online document tools. **OFFLINE:** Lawyers, offices, printed templates and personal/business contacts.
